

Supported Education

3.9.2 Training course 2: Choosing and getting regular education

The career guidance course

Aim

To increase participants' understanding of helping (young) people with psychiatric disabilities who dropped out of school to return to school.

Objectives

1. To describe the key concepts of the 'choose and get' phases of the SEd process.
2. To describe the preparation course.
3. To exercise parts of the preparation course.
4. To initiate a preparation course.

Content

This training course will focus on:

- The 'choose and get' phases
- Preparation course

Time and duration

Six contact hours and one hour lunch. The training course will start at 9.30am and finish at 4.30pm.

Target group

This training course is targeted at professionals working in a Supported Education program and for those working with youths with psychiatric disabilities who want to return to school or to remain at school.

Entry requirements

Course candidates must have completed the training course *Introduction to Supported Education*.

Assessment

No formal assessment. Full attendance is compulsory to gain certificate of participation.

Application procedure

For training courses with an open enrollment, applicants should contact the appropriate course coordinator to confirm their interest.
