

Supported Education

3.7 Information Brochures

The information brochures provide Supported Education information relevant to the particular stakeholder being addressed. The brochures give answers to the question: why should I, as a student, consumer, family member, teacher/educational staff, policy maker, mental health practitioner, be interested in Supported Education?

The following brochures are available:

- 3.7.1 Information for students
- 3.7.2 Information for consumers
- 3.7.3 Information for family members
- 3.7.4 Information for teachers/educational staff
- 3.7.5 Information for policy makers - management of colleges and universities
- 3.7.6 Information for mental health practitioners
- 3.7.7 Information for policy makers: management of mental health organizations
